Product:

L-GLYCINA 180 GR

Code: **LU999**

N°PNT Reference MAPA LU999

Batch/N°analysis: **2602 05 2029**

CONCEPT		RESULTADO	
Presentation		Pet bottle containing 180gr of product.	
Manufacturing date		MAY 2026	
Type of sampling used		By variables systematically	
Samples analyzed		According to control sheets in process	
Best before		MAY 2029	
Manufacturing order number		260.261	
Conditioning order number		260.261	
Raw material certificates review		Correct	
Conditioned material certificates review		Correct	
In-process controls review		Correct	
	Test	Specifications	Result
ORGANOLEPTIC CHARACTERISTICS	Appearance	Powder	Complies
	Odor	Characteristic.	Complies
	Color	White.	Complies
	Taste	Characteristic.	Complies
PHYSICO-CHEMICAL PARAMETERS	Humidity	<10%	Complies
SEALING PACKAGING /	PET bottle	According to specifications.	Complies
	Cap	According to specifications.	Complies
	Cup dispenser	According to specifications (5 ml)	Complies
MARKING	Batch / expiration	2602 05 2029	Correct
APPEARANCE OF THE CONDITIONED UNIT	Visual	Packing boxes containing 44 pet bottles.	Conform
QUANTITATIVE	According to specifications.		
UNITS		Result: 1093 bottles.	
CONSERVATION	In a dry place and protected from light.
